

AcosPro

30V

A return to the classic which in this case is characterised by orderly geometry and confidently drawn lines. Stability is added by a wide, comfortable seat and adequate back support. The chair will work just about anywhere, from conference room spaces to offices or office halls.

Collection features:

- armrest parallel to the ground and to the seat
- choice of armrest with comfortable pad
- three types of bases available in three colours
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process
